TRAVEL WITH PEACE OF MIND. YOUR CONCIERGE WILL ALWAYS BE HOME.

One of the great advantages of living at 1451 Wellington West, the new boutique midrise in Ottawa's trendy west end neighbourhood, is the convenience of amenities that make every aspect of your life easier. If you are going away for the winter months or for a few weeks on a business trip or holiday, you can rely on the concierge to look after everything. A concierge is on duty 24/7, ready to take in your dry cleaning and parcels and arrange for delivery of items so you can have them the day or night of your return. You can even ask the concierge to arrange for a delicious dinner, a chilled bottle of wine and a fresh bouquet of flowers to be

delivered for when you get home from your travels. This level of hospitality and thoughtful service is all part of the award-winning Mizrahi brand. In addition to the concierge, there is a parking valet who will help unload your packages and park and retrieve your car for you. The fitness retreat with a salt-water lap pool and Technogym equipment makes your workouts part of your daily routine. Entertain friends in the large living room and dining room with an adjacent catering kitchen. Invite them to stay overnight in the guest suite.
